

Order our products quickly and easily with quick order at [wfi.se/en](https://www.wfi.se/en)

With our new quick order feature, you can order our products in a smarter way, without having to click through each individual product page. You get a quick overview, see exact stock levels and delivery time instantly, and can see both net and gross prices in the same view. Feel free to contact us at info@wfiab.se if you have any questions or need help getting started!

Here's how to get started!

1. Click on "WFI Yelp" in the right menu and sign in as a dealer
2. Scroll down and click on "Place your quick order here!" (<https://www.wfi.se/en/quickorder>)
3. Choose whether to display only gross prices or both gross and net prices
4. Choose whether to add products via the search field or by importing an Excel file
5. When using the search field: add products by searching on article number or name, then click on "Add order line" to add more products
6. When using import: click on "Export .csv file" to get an Excel template with the correct headers to work with, the file must be in .csv format and contain two columns: A: ArticleId B: Quantity
7. Fill in your Excel template with all the products you want to order
8. Click on "Import .csv-file"
9. If you want to remove a product, click on the trash can icon to the right on the order line
10. Once you have added all your products, click on "Add products to cart"

The screenshot displays the WFI quick order interface. At the top left, there is a checkbox labeled "Show gross price only". In the center, there is a table with the following columns: "Item no.", "Name", "Image", "Inventory", "Unit price", "Quantity", and "Total". The table contains two rows of product data. The first row is for "Workbench W300 1600x800 mm Grey Laminate" with a unit price of 16 245.00 kr and a quantity of 1. The second row is for "Perforated Panel 670 Grey" with a unit price of 450.00 kr and a quantity of 1. Below the table, there is a "Total 16 695.00 kr" label. At the bottom right, there are buttons for "Export .csv-file" and "Add products to cart". Annotations with arrows point to the "Show gross price only" checkbox, the "Inventory" column, and the "Import .csv-file" button.
